The Perfect Gentlemen

The Perfect Gentlemen provide the perfect blend of harmony and humor harkening back to the days of Vaudeville. Preserving America’s great vocal sounds from a time when music was music, The Perfect Gentlemen recreate the close harmonies of such legendary groups as The Ink Spots and the Pied Pipers, while including the era’s great comic songs made famous by the likes of Louis Jordan and The Hoosier Hotshots.

The Perfect Gentlemen is made up of four performers of unparalleled talent. Dan Jordan (Second Tenor) is a gold-medal winning lead singer with The New Tradition of the Barbershop Harmony Society. Jim Campbell (Bass) anchors the group with low notes he expertly crafted as the long-time bass singer of the famous Dapper Dons of Disneyland. Tim Reeder (Baritone/Ukulele/Tenor Guitar) brings to the mix a knack for uncovering hilarious musical gems, amazing period vocals, expert instrumental accompaniment, and his own composing talents, from his years with the 1930’s-era vocal jazz group Vocalworks. Phil Gold (First Tenor) rounds out the group with high notes honed with quartets in the touring stage musicals City of Angels and Forever Plaid. Together as The Perfect Gentlemen, these four entertainers complement each other in a way that is nothing short of perfect.

California Crossroads

California Crossroads has distinguished itself by winning the Barbershop Harmony Society Far Western District 2007 Senior Quartet Championship as well as first place in the San Diego 2007 a cappella Festival...and 8th place in the 2008 International Senior Quartet Competition. Lead, **Les Weiser** has been entertaining audiences, for most of his life. **Larry Thorpe**, bass, has appeared on Ted Mack's television show in San Francisco in 1964.
